install several ATI ES1000 and Radeon 7000 video drivers. There is a problem. Oct 5, 2018 Login to your server and use the 'mcredit.exe' command to edit the video. If that does not work, you can edit the video using the Windows Video Converter: Windows Video Converter.. Substitute the complete path of the driver file and the path to the video file. The video converter will download and install the new video driver for you.
